

Report on health- Check up Camp- with SHGs/ALFs members Under DAY NULM- Solan (H.P.)

A free health check up camp was organized by Greenberry RKG Welfare Foundation under the aegis of Municipal Council Solan particularly for the beneficiaries of Deendayal Antyodaya Yojana-National Urban Livelihoods Mission (DAY-NULM) on 24th November 2016 from 10:00 AM to 5:00 PM at near Ambedkar Hall, City livelihoods center Solan .

In which two sect of treatment were provided by the foundation i.e. Allopathic and Homeopathic for general health check up, diagnosis and also required medicines were prescribed and provided by the foundation. **“Greenberry RKG Welfare Foundation”** is a not for profit organization founded by Mr. Rajesh Kumar Gupta (founder chairman) With this perspective and motive the foundation rendered support for improving conditions of health of poor women members of SHGs/ALFs and CLF under DAY-NULM scheme which is implemented by Municipal Council, Solan. Therefore it organized a free health check up camp in CLC Solan

Significance of the Camp:

Women and children of the vulnerable communities are anaemic and malnutrition, impacting themselves with fatal diseases. The situation calls for timely care and diagnosis which can reduce the incidence of morbidity and mortality especially among urban and rural poor children and women. Health Camps is one such special initiative of *Greenberry RKG Welfare Foundation* to provide healthcare services to meet the immediate health care needs of the marginalized community in remote urban areas and slums through standalone camps. Customized health camps are organized extensively across the state offering comprehensive health services – curative, preventive, promotive and referral, to a large number of people in selected intervention areas. Multi-disciplinary projects include Allopathic, Ayurveda and Homeopathic particularly for gynaecological, paediatric, ophthalmology and surgical services etc., whereas other interventions can be general in nature. Duration of Health Camps vary between one day and 15 days with frequencies ranging between a month and a year. These camps majorly work on building awareness regarding common ailments, family planning methods, nutrition and hygiene and sanitation.

During the health camp Mr. Rakesh Kanwar – Deputy Commissioner –Solon reviewed the health program and interact with SHGs/ALFs members of DAY-NULM

The key objectives of the health camp were:

1. To create awareness towards health amongst poor and pro-poor women of SHGs/ALF.
2. To help the needy and vulnerable class in terms of health and timely-care.
3. To provide in free medical check-up along with distribution of free medicines.
